

THE KLINGER LAKE ASSOCIATION

KLA Board Meeting – Monday May 8th, 2023

Attended: Mike Needham, Andy Rieth, Barbara Pancoast,

Debbie Doe, Edgar Reihl, Mary Vogt, Katie Kitchen, Chris Bowers, Allison Kirsch, Kirby Baker

Absent: Rick Knoedler, John Dresser

Guests Present:

Mike Needham called the meeting to order at 7:03 P.M.

Approval of April Minutes:

The minutes for the April meeting were emailed out for review. **A motion was made by Edgar Reihl to approve the minutes and 2nd by Debbie Doe. All members approved and motion was passed.**

Treasurer's Report:

Kirby Baker informed us that dues are down this year. We had a discussion on how to get more people to act on paying after receiving the emails. We need to work on educating people on payments going through the foundation and receiving a tax deduction for their payment because we are now a not-for-profit organization. Our goal is to spend less on printing and postage. Our major expense is weed control and that cost goes up. It was decided to mail a letter to people that have not paid. Firework contributions are down but June has been the big month to receive money for that in the past. **A motion was made by Chris Bowers to approve the report and 2nd by Edgar Reihl. All members approved and motion was passed.**

Real Estate:

Allison Kirsch reported that there are 1 place for sale, 1 with a pending sale and 1 place sold.

Beach Reps:

The beach rep. picnic will be at the KLCC on June 12th. The printing of 350 decals was approved. The dish to pass sign up list board will be out shortly. All beach reps will be notified of the picnic. Directories will be passed out at that time.

Weed Treatment

No new update.

History:

There have been no new sales of books or maps since Christmas. Check our website for the article that was printed years ago in the Sturgis Journal about Klinger Lake.

Boat Wash review:

Andy Rieth scheduled the boat wash for July 9th at 10:00 -2:00. Anyone interested is welcome to stop by. This event is to help educate and promote clean boat, clean water on Klinger Lake and surrounding lakes.

Fireworks:

Mary Vogt said the contract has been signed. Now we need the donations to support the event on July 3rd.

New Business:

With receiving the Clean Boats/Clean Waters Grant we need 3 volunteers for the following dates:

Tuesday July 11th 6pm-9pm

Thursday July 20th 5:30pm-9:30pm

Thursday August 17th 6pm-9pm

These are Bass Fishing Tournament dates and Mike will do a radio talk about clean water to promote this.

Debbie Doe showed us a potential "Lake Guide" that other lakes have. She is going to work on one that is more specific to Klinger Lake for the board to see.

The newsletter for 2023 is ready and a few people have requested a printed copy as they do not use a computer. The dead line is 5/16/23.

The annual meeting will be June 17th 10:00 am at the KLCC. An invite will be extended to Law enforcement to update us on any changes and answer any questions. It was decided that we need to post signs to remind people.

The road commission has said that they will start working on the boat launch June 1st.

We discussed the Canada Goose problem and will look into testing the lake water for any possible problems.

Mike Needham gave us a recap of what happen at the MLSA Regional/State meeting.

Edgar Reihl moved we adjourn, Kirby Baker seconded the motion, all members approved and the meeting was adjourned at 8:42.

Respectfully submitted,

Barbara Pancoast, Secretary KLA
